Gifted and Talented Application How-to Guide

To register your child for Gifted and Talented testing you need to apply to the Department of Education. To find the web page, follow the prompts below from The Melville SHS website.

The testing will take place in early March and a letter will be sent to notify you.

For further enquiries about the program please email the Education Department and for further information about Melville SHS please email myself Delma Spencer (Delma.Spencer@education.wa.edu.au), Hilary Browton (Hilary Browton@education.wa.edu.au), or Nicole Clune (Nicole.clune@education.wa.edu.au)

Top-Up Testing for Year 9, 10 or 11
Limited places are sometimes available in Years 9 to 11 and testing prompts are also below. If your child receives confirmation of a place at Melville SHS as a Top Up, there is an opportunity for them to start the Gifted and Talented Academic Program in term 3 of that year, if desired.
