Information for Families

Program times

Drop In is specifically an after-school program and generally finishes between 4.30 to 5pm. Young people will not be admitted on City of Melville premises before or after Drop In.

Behaviour and Consequences

Misbehaviour will be dealt with using our 3 warning system. On the third warning the young person will be asked to leave the Drop In immediately, and will be given a ban for a specific period of time depending on the severity of the incident and at the discretion of the Drop In staff. The warning level may also be automatically escalated depending on the severity of the breach. In any case where a young person is asked to leave, staff members will contact the parent/guardian to communicate as to why this happened and what follow-up there will be if required.

In extreme circumstances such as law breaking or dangerous situations, police officers may be phoned to intervene.

Rules and Regulations

Young people are expected to adhere to the Drop In Values and behavioural expectations, and consequences in the form of our 3 Strike Policy may apply when their behaviour becomes unacceptable. They are also required to sign a commitment to adhere to these values and expectations. City of Melville staff will maintain open communication with you about any actions taken in response to misbehaviour.

Duty of Care

The City of Melville aims to provide a safe and welcoming environment and our staff will do all they can to make sure all young people are safe whilst at youth programs. Attendance at Drop In is voluntary and staff have no authority to ensure young people remain on City of Melville grounds. The City of Melville does not take responsibility for young persons who leave the Drop In or who are not in the premises.

Use of local areas

Some activities may take place in nearby local spaces outside of the City's premises such as at local parks and ovals. In cases where Youth Staff have organised events for Drop In at local spaces there will always be staff members present to supervise.

Other visitors

Sometimes other youth related services and workers may visit, such as headspace, Police, or Community Safety Services. We communicate to everyone at Drop In when these visitors come and young people are given the choice of whether or not they are seen by visitors. In the case of police and security services we allow young people to quietly leave at their discretion if they are not comfortable around these people. We respect the confidentiality and wishes of young people with regards to interacting with or sharing information with other visitors.
