

2021 - Recommended Apps to install on your iPad/Links for Laptops

MELVILLE
SENIOR HIGH SCHOOL

- Set up a page on your iPad with these apps to optimise use of your device for the start of the year
- Apps should be installed at home as you do not have access to the App Store at school
- If you have a laptop, use this list to check you have programs installed and bookmark the sites for quick access
- You may be asked to add more apps during the year as required

Microsoft Apps

*Use your school email address to access Microsoft apps for **free** (firstname.lastname@student.education.wa.edu.au)

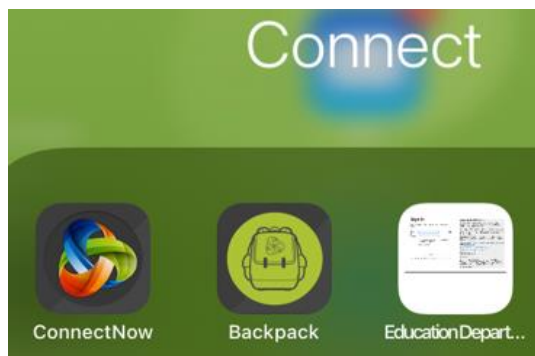

*You will have to wait until you commence at school to receive this, but you should be able to install and organise the other apps
