

Good Standing Policy

Melville Senior High Schools' vision statement emphasises the importance of achieving excellence and building bright futures for tomorrow. Melville Senior High School provide a distinctive, comprehensive education with strong academic and vocational pathways assisted by effective pastoral care programs, where all students are given the opportunity to become confident, innovative, and successful learners supported in the process of defining themselves as they prepare to meet the challenges of the future.

The Melville Senior High School Good Standing Policy aims to provide guidelines and opportunities for students to be self-motivated learners who take an active role in their future pathways and successes. It provides a framework to enable students to maintain or re-gain Good Standing status in relation to the expectations the school has for Behaviour, Attendance and Uniform.

All students commence the year with Good Standing. This is maintained if they consistently demonstrate positive behaviours in line with the School Code of Conduct. If a student loses Good Standing, they will need to apply to have their Good Standing reinstated once eligible. If a student has lost Good Standing, they are unable to attend any extra curricula sporting events, social events, or reward activities.

PROCEDURES:

The Melville Senior High School Student Services team will have the responsibility of overseeing and implementing the required procedures for the Melville Senior High School Good Standing Policy. The aim of the policy is to focus on the positives and acknowledge those students who maintain their Good Standing through rewards, extra curricula activities and the opportunity to represent the school.

The policy focuses on three key target areas:

1. Attendance – There is a clear link between student attendance and achievement. Regular attendance maximises students' opportunities to learn and achieve their full potential. The Department of Education categorises regular attendance as students attending at or above 90% of school. Students must be regular attenders to maintain Good Standing. **If there is a legitimate reason provided for not attending, Good Standing may be still given under special consideration. Student attendance will be monitored by the relevant Year Coordinator and Student Services Manager.** Students who are regularly late to school risk loss of Good Standing if they continue to be late to school.

2. Behaviour – A positive and respectful atmosphere should exist in the classroom and around the school. All students are expected to abide by the School's Code of Conduct. Students are expected to display the core values of Respect, Learning, Excellence, Relationships, and Inclusivity. Serious or repeated breaches of the school's Student Engagement Policy or ICT (Information and Communication Technology) policy may result in loss of Good Standing.

3. Uniform – The School Board has endorsed the implementation of a dress code as it enhances a sense of belonging and promotes a positive image of the school. It is expected

that students always abide by the Uniform policy. Consistent breaches of the Uniform policy will result in loss of Good Standing.
