

Student Engagement Policy

Melville Senior High Schools' vision statement emphasises the importance of '*Achieving excellence today and building bright futures for tomorrow*'. We provide a distinctive, comprehensive education with strong academic and vocational pathways assisted by effective pastoral care programs, where all students are allowed to become confident, innovative and successful learners and are supported in the process of defining themselves as they prepare to meet the challenges of the future.

Melville SHS is a friendly and safe school which embraces a supportive and caring pastoral care system, recognising close attention to the needs, welfare and progress of its students.
