# Acknowledgment of Country

“Kaya"! Hello everyone.

We respectfully acknowledge the Traditional Owners of this land on which we are meeting, the Whadjuk people of the Noongar nation and recognise their continuing connection to land, waters and sky. It is a privilege for the Melville SHS community to be standing on Whadjuk Noongar Boodjar.

We also acknowledge all other Aboriginal and Torres Strait Islander people who are with us today and throughout this country, and we pay our respects to all Elders both past and present.

Willagee Boodjar is traditionally important as the Ochre is particularly red and is also a large breeding ground for the emu (wetj). The traditional people not only ate the wetj and their eggs when carefully blown, but the shell was carved, and their skins and feathers used for clothing and decorations. Utensils were also made from emu bones. Willagee Boodjar continues to be spiritually important to the Whadjuk Noongar people.

We also acknowledge the contributions of Aboriginal Australians to the education of all children and people in this country we all live in and share together – Australia.”
