

Come Fly With Me

Year 5 and 6 Aviation Course

[APPLY ONLINE at www.melville.wa.edu.au/specialist-programs/aviation-studies/](http://www.melville.wa.edu.au/specialist-programs/aviation-studies/)

The Come Fly With Me course allows students to develop an understanding of aviation and STEM technologies at Melville SHS. The Aviation course:

- incorporates a variety of aviation subjects that relate to the aviation industry and enhance the scientific learning for gifted students
- is held over eight weeks with numbers limited to 19 - we recommend you enrol early
- involves exercises on flight simulators in the Specialist Aviation Centre
- provides aviation experience in a student's early years to foster enthusiasm for the Aviation Specialist Program
- allows all students to experience a flight in an aircraft, where some have the opportunity to take the controls and fly with the assistance of a qualified flying instructor
- includes the history of aircraft developments and meteorology
- is taught by the school's qualified commercial pilots

Many graduates of the program become inspired to apply for the Aviation Studies Specialist course at Melville SHS.

Major Learning Areas:

- Science
- Technologies
- Engineering
- Mathematics

Course criteria:

- high grades in Mathematics and Science
- an interest in Physics and aircraft design
- an enquiring mind

Details: Two hours per week for eight weeks from 8.40am-10.40am on Wednesdays
\$150 per student - price includes aircraft flight
